o r d e r . -

Pursuant to a verbal order by the Commandant of the GŠ⁴ of the ARBiH General Rasim Delić, and on the occasion of the great successes achieved by the ARBiH⁵ units in the wider sector around Sarajevo and Goražde (of which we notified you in our document 02/1-09/178), as well as on the basis of intelligence information [concerning the fact] that the A/S⁶ Command of the "Protection Regiment" in Han Pijesak is holding one part of its units in reserve so they could intervene in the event of an attack by our forces from Žepa, I hereby issue the following:

O R D E R

1. Execute all preparations in the Command of the 28th div of Kov for carrying out the b/ds with the aim of liberating the territory of RBiH, stretching the A/S and inflicting losses on them, [and] coordinate action with the ARBiH forces carrying out operations in the wider sector of Sarajevo.
2. Plan realistic tasks which will assure definite success, on the basis of accurate assessment and the potential of our forces in Srebrenica and Žepa.
3. The GŠ of the ARBiH will regulate, by an order, the commencement of offensive b/ds in the z/o⁷ of the 28th div of Kov.
